# MetLife

## Deliver a dynamic worldwide message

When MetLife acquired Alico, the combination created a global life insurance and employee benefits powerhouse with key messages that needed to be shared with employees around the world.

We produced a video, featuring MetLife's CEO, that was effectively deployed to 55 countries in 19 different languages.

MetLife is a leading innovator and a recognized leader in protection planning, retirement and savings solutions in over 60 countries around the world. The company serves over 90 million customers with life, accident and health insurance, along with products for retirement and savings products.
